

Logistics Operations Intermediate Apprenticeship

Course Duration

Typically 8-12 Months

Job Role

On this Intermediate Apprenticeship, you will be working as part of a team. You will be required to work in the Warehouse, Traffic Office and Transport departments of the business, in order to gain experience of how each department operates. You will also learn how to work together with other colleagues to ensure goods are delivered to customers in a timely and efficient manner.

Course Details:

This Intermediate Apprenticeship (Level 2) comprises of:

1. Competence Based Element – Level 2 Certificate in Logistics Operations. This is a combined qualification incorporating competence and knowledge, which is separately assessed.
2. Functional Skills/Key Skills – Communication Level 1, Application of Number Level 1 and Information and Communications Technology (LCT) Level 1.
3. Employee Rights and Responsibilities in the Logistics Industry.

Aim

The aim of this Intermediate Apprenticeship is to provide the warehousing Industry with staff who have sound knowledge, skills and confidence to help the business grow. This apprenticeship provides a career path for progression to higher level jobs and qualifications.

Entry Requirement

Candidates should ideally be employed by an employer in this sector, working as a Logistics Operations Team Leader/Section Supervisor, responsible for improving team performance, health and safety, customer service and scheduling the movement of goods by road, rail, sea or air. Your job role and range of activities will need to meet the qualifications requirements.

If you are not in employment, or do not have an employer placement, you may consider registering with the Yorkshire and Humber Apprentice Training Agency (YHATA), who can then search through their database of employers with Apprenticeship vacancies and aim to match the two together. Please ring 01482 313470 to speak to one of the team. Or visit the YHATA website and www.yhata.org

Progression: after completion of the Intermediate Apprenticeship in the Logistics Operation you may be able to progress to one of the following Advanced Apprenticeships:

- Logistics Operations Advanced Apprenticeship
- Traffic Office Advanced Apprenticeship

- Driving Goods Vehicles Advanced Apprenticeship
- Warehousing and Storage Advanced Apprenticeship

You may also progress into a job as a Traffic Office Team Member, Lead Driver, Senior Warehouse Operative or with further development and training as part of your continuous professional development (CPD) you may progress into one of the following jobs:

- Warehouse Manager
- Transport Manager
- Logistics Manager
- Traffic Office Manager

This Level 2 Apprenticeship sits on the Skills for Logistics Professional Stairway at Step3. For further information visit www.thestairway.org
